Available in the CIA Library is a two-page report concerning activities of Titoists in Trieste during the month of March 1955. Eugenio Laurenti, principal speaker at a meeting held on 17 March, stated that the Titoists must do their utmost to incite Trieste workers to strike as a means of forcing the issue of the Free Zone in Trieste. The report also deals with another meeting held on 20 March which exemplified the growing collaboration between the Partito Comunista del Territorio di Trieste (PCTT; Communist Party of the Territory of Trieste) and the Titoists in Trieste.
